Attorney Docket No. 29644/04002

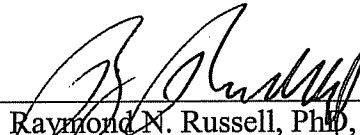

REQUEST FOR OFFICE UNDER 35 USC § 255 TO ISSUE A CERTIFICATE OF CORRECTION OF PATENT FOR APPLICANT MISTAKE (37 CFR § 1.323)

The errors noted on the Certificate of Correction were discovered by the Applicant during routine proofreading of the Letters Patent and are of a minor character. Specifically, additional text was provided after inventors name that was not actually part of the inventors name. The requested correction does not constitute new matter and occurred without deceptive intent. Agent for Applicant has been informed by the Applicant that the clerical error occurred upon the initial filing of the priority PCT Application No. PCT/EP04/004133 which Agent for Applicant was not the prosecuting Agent. The error had gone unnoticed until issuance of the above-identified subject matter. Please correct the above-identified patent to reflect this change. Our records indicate this error occurred on the part of the Applicant.

Accordingly, please charge the \$100 fee under § 1.20(a) for this Certificate of Correction Request to Deposit Account No. 030172, order number 29644/04002. In addition, please charge any fee deficiency and credit any overpayments to Deposit Account No. 03-0172, Order Number 29644/04002.

Respectfully submitted,

Date: 10/21/10
